

Koukoi Games – 3D Artist – Oulu, Finland

Koukoi Games is growing and looking for experienced, deeply motivated and passionate 3D Artist to join our team at Koukoi Games. You want to be part of building high quality mobile games to serve rising needs of players, create long lasting memories, challenge yourself and enjoy working as a part of our awesome team – all this with passion for making awesome games.

As a part of our team, you will be responsible of creating polished content for our existing game titles and taking part in creating fresh content for our upcoming titles. For being successful in Koukoi, you must be a good team player, have unique and productive approaches to content and graphics creation and be able to take responsibility. You like to face new challenges, have relaxed approach of getting things done, and you know how to focus and make good design and technical decisions.

As an artist, with years of experience, you will have a portfolio of proven quality and experience.

RESPONSIBILITIES

- Taking part in creating fantastic high quality content for our existing and upcoming game titles
- All-around 3D duties around modelling, animations, rigging, texturing, lightning, etc.
- Taking part in level, game and world design
- Documentation and use of project management tools
- Understanding technical challenges with mobile devices and ability to create unique approaches to beat and take benefit of those with excellent content optimization skills
- Understanding and passion for creating approachable and playable games
- Being part of awesome team while developing awesome games

REQUIREMENTS

- Ability to productively create polished content for games with unique approaches, in high quality manner, and capability of solving complex challenges in productive manner
- Talent and/or experience to meet quality requirements
- Experienced with both low and high poly
- Experienced with 3D software tools, and good documentation, design and visualization skills
- Capable of independently creating quality content, taking responsibility and being a team player
- Sculpting, 2D graphics and general artistic skills are big plusses
- Senior and/or lead artist experience is a huge plus
- Experience with Unity is a big plus
- Free-to-play know-how is a plus
- Passion, pride and responsibility in your work

KOUKOI GAMES OFFERS

- New interesting challenges and approaches for making mobile games with high production value
- Working with known entertainment giants, publishers and studios from time to time
- Key lead positions with further responsibilities as the studio grows
- Independent team structures, focused working environment and flexible ways of working
- Opportunities to learn and grow along with our studio
- Competitive compensation and possibilities for incentives

Interested? Please drop us your application including CV, cover letter and portfolio at info@koukoi.com with the subject "3D Artist".
