

Finland Based Mobile Games Studio Koukoi Games Releases Crashing Season Run, a Spinoff to Their Popular Crashing Season Game Series

Grab the Steering Wheel and Prepare to Crash!

Crashing Season Run is a humorous, one-of-a-kind endless racing game. It features the same wacky animals as the original game, but this time the ferocious crew is riding various crazy DIY vehicles in a race to defeat enemies and get as far as they can.

Featuring simple and intuitive one finger controls, lots of silly rides to unlock, and an over-the-top cartoony low-poly graphical style, Crashing Season Run is the perfect time-waster for everyone looking for a fun, endless racing game.

Crashing Season Run will launch for mobile devices on both iOS and Android on September 26th, 2019. Killoo, the publisher behind the endless runner sensation Subway Surfers, will distribute the game to carrier stores.
